

AUDIOSTROBE® AFFILIATE PROGRAM

20% LIFETIME PAY PER SALE

The Audiostrobe affiliate program is quite easy: you place a link on your website to the Audiostrobe online store. Every customer who is coming through your link will be registered as your affiliate customer. If such a customer is buying something in our store, you will get 20% percent of the order sum as reward.

This applies not only for the first order, but for the “lifetime” of the registered customer. This means, as long as we can trace the customer as your affiliate customer (via cookie, email or username), every of his orders will be paid out by commission.

Outpayment is done every quarter or half-yearly according to your request via bank transfer or PayPal (no transaction charges for PayPal).

HOW AN AFFILIATE PARTNER BENEFITS

- **Affiliate Login:** view your visitors count and your current balance.
- Our store is prepared to display a custom start page. Affiliate partners have the possibility to propose content for their **own start page** at Audiostrobe to guide customers coming from the affiliate partners' website.
- We will provide our affiliate partners with **marketing documents** like PDFs, graphics, flash etc. if needed.
- The mp3 store is designed so that customers feel **comfortable in it and stay longer**. After first order of an mp3, the customer gets a username automatically with access to his account area, where he can download all his mp3s. In addition to this the customer has the possibility to **listen to his mp3s online**, without the need to download them.
- Audiostrobe will make great efforts to satisfy their customers, like **expanding the music portfolio** and more.

AFFILIATE PROGRAM FOR SHOP OWNERS: MP3S ONLY

If you have your own online shop and don't want to come into conflict with the Audiostrobe products, and still want to offer mp3s to your customer, we will provide you with a link to Audiostrobe showing the Mp3 Store only, without links to other products than mp3s.

- Coming through the mp3-only link, the customer will see only mp3s to buy.
- 20% lifetime commission for every mp3 sale.
- Custom back links to your shop: own menu and two places for your own advertisements.
- Take advantage of the Audiostrobe Mp3 Store functionality (see above: 'affiliate partner benefits').
